  - The pool is often divided into two parts, one with lap lanes and one without. The chart above illustrates the two halves.
  - OPEN is for ages 13+. Children ages 12 & younger allowed with a parent who is in the water. No pool toys allowed.
  - Lap Swim requires people to share a lane by sometimes circle swimming (counter clockwise). Private lanes are not available.
  - Rec Swim (or family swim) has toys available. Children ages 6 & under need to be with an adult, but ages 7+ are allowed solo.
  - <sup>+</sup> 6. Water Vets is a veteran group using the pool for exercise. Please ask the lifeguard if you'd like to join.
